3,338 BALLOTS. ZERO DISCREPANCY.

AUDIT SAMPLE . 2 OF 32 PRECINCTS
PLUS THE EARLY VOTING STATION

32 PRECINCTS . 2 SAMPLED

DRAWN TO SCALE. NOT DRAWN TO COUNT.

Requiring all ballots to be hand counted and prohibiting electronic tabulation

Only registered borough voters would conduct the counts, and official results would come solely from manual hand counts. The petition was submitted with 2,706 signatures against a requirement of 2,391, and the clerk recertified it on August 5th, 2026.

1 . THE ASSEMBLY ADOPTED THE VOTER INFORMATION 6 TO 1. THE ONE NO VOTE CALLED IT LEADING.

2 . ONE MEMBER WAS RULED TO HAVE A CONFLICT AS A LEAD SPONSOR, PER THE NEWS-MINER.

3,338 ballots, checked by hand.

1 . EARLY VOTING STATION, 2,846

2 . GOLDSTREAM NO. 2 AND MOOSE CREEK, 492

3 . NOT SAMPLED, THE REST OF THE BOROUGH

A 2025 ordinance created the audit and passed 5 to 4. A canvass board hand verified the votes on 3,338 ballots, two precincts out of 32 plus the early voting station.

MARCH 2025 . THE ASSEMBLY DEADLOCKED 4 TO 4
ON A 219,489 DOLLAR MACHINE CONTRACT.

DRAWN TO SCALE. NOT DRAWN TO COUNT.

The tolerance was 33 ballots wide. The gap was zero.

The 2025 ordinance defined failure in advance, a discrepancy greater than 1 percent between the hand count and the machine tabulation. On the sampled ballots the machines came back 100 percent accurate, so the trip point was never approached.

DRAWN TO SCALE. NOT DRAWN TO COUNT.

"If the hand count is to check on the machines, then why do we have the machines?"

BARBARA HANEY, FORMER ASSEMBLY MEMBER,
INITIATIVE SPONSOR

Haney was one of four who voted against creating that audit, per KUAC. Tammie Wilson and Brett Rotermund were two of the other three.

"THE REST OF US WILL HAVE SOME SATISFACTION IN THINKING THAT, 'OKAY, THE MACHINES ARE COUNTING CORRECTLY.'"
DAVID GUTTENBERG, WHO SPONSORED THE AUDIT ORDINANCE

Two of 32 precincts were sampled.
Thirty were not, and were never
claimed.

NO PUBLISHED ESTIMATE

Hand counting would start with the 2027 cycle, so October 6th is still machine tabulated. If Proposition 3 passes, the ordinance is law for two years and neither the Assembly nor the voters can repeal, modify or negate it. The ordinance carries no fiscal analysis.

THE MAYOR SAYS IT WILL COST MORE.
