ALASKA, FUNDING YEAR 2025

\$195.2 million

third in the nation, behind California and Texas.

Funded E-Rate commitments to Alaska schools and libraries are 7.3 percent of the \$2.69 billion nationwide. About 0.2 percent of the country's people live here.

THE NOTICE ASKS

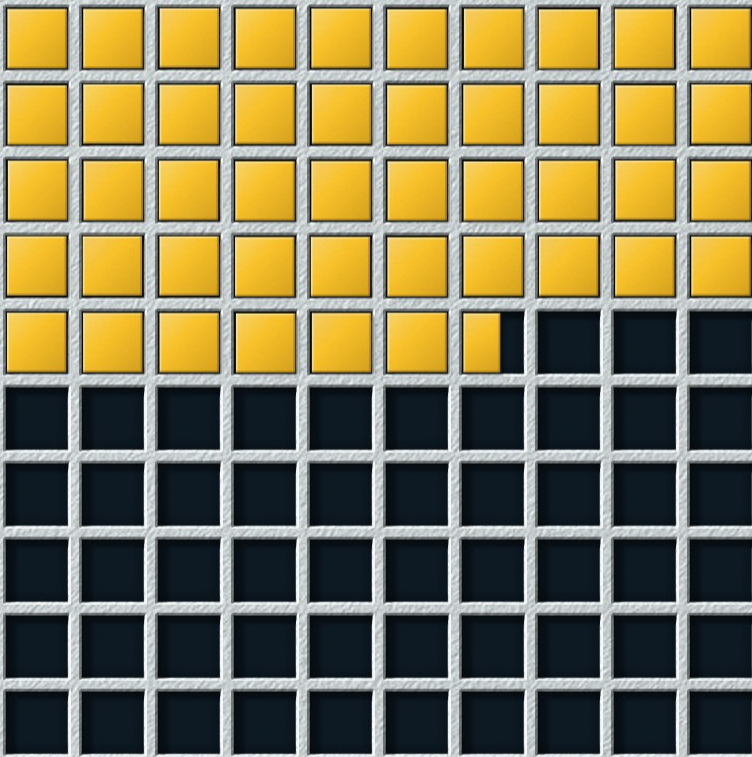

The FCC asks whether
"a disproportionate share of
funding flow to large, well-resourced
school districts with substantial
local tax bases."

insert Alaska

46.6

percent

Lower Kuskokwim School
District holds \$91.0 million of
Alaska's \$195.2 million.

ONE CELL IS ONE PERCENT

The other 129 applicants share \$104.2 million.

THE AGENCY SIDE

FCC Chairman
Brendan Carr
said the agency
should consider
reducing the
program's
scope, the
Anchorage
Daily News
reported.

THE ALASKA SIDE

“The E-Rate
program is
a lifeline to
opportunity
for Alaska’s
students.”

Tiffany Jackson,
Association of Alaska
School Boards

THE NOTICE ALSO ASKS

What level of connectivity

do schools and libraries need to utilize AI-enabled *priced how?* educational tools or other emerging technologies effectively?

The notice cites an executive order that wants educators equipped to use AI in their classrooms.
