

The robot is in Ketchikan. The stroke reader is everywhere.

TWELVE BOROUGHES CUT OUT
OF ONE STATE SHEET

550 MI

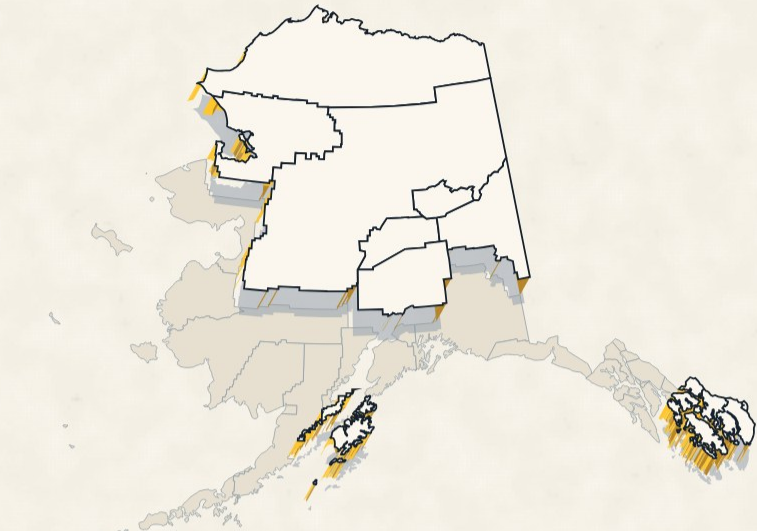

STATE II . REVISED AUGUST 28TH . SUPERSEDES AUGUST 7TH

ALASKA DEPT OF HEALTH POSTS THE LIST ITSELF, EVERY FRIDAY

ANNOUNCED SO FAR
185 AWARDS

WORTH
\$181.9 MILLION

THE MACHINE SHARE, ABOUT
1 DOLLAR IN 15

185 awards. Eight machines.

Announced on four Fridays since August 7th, across all 30 boroughs and census areas. Eight of them buy a machine that reads, decides or flies.

1150 MI

THE LARGEST OF THE EIGHT

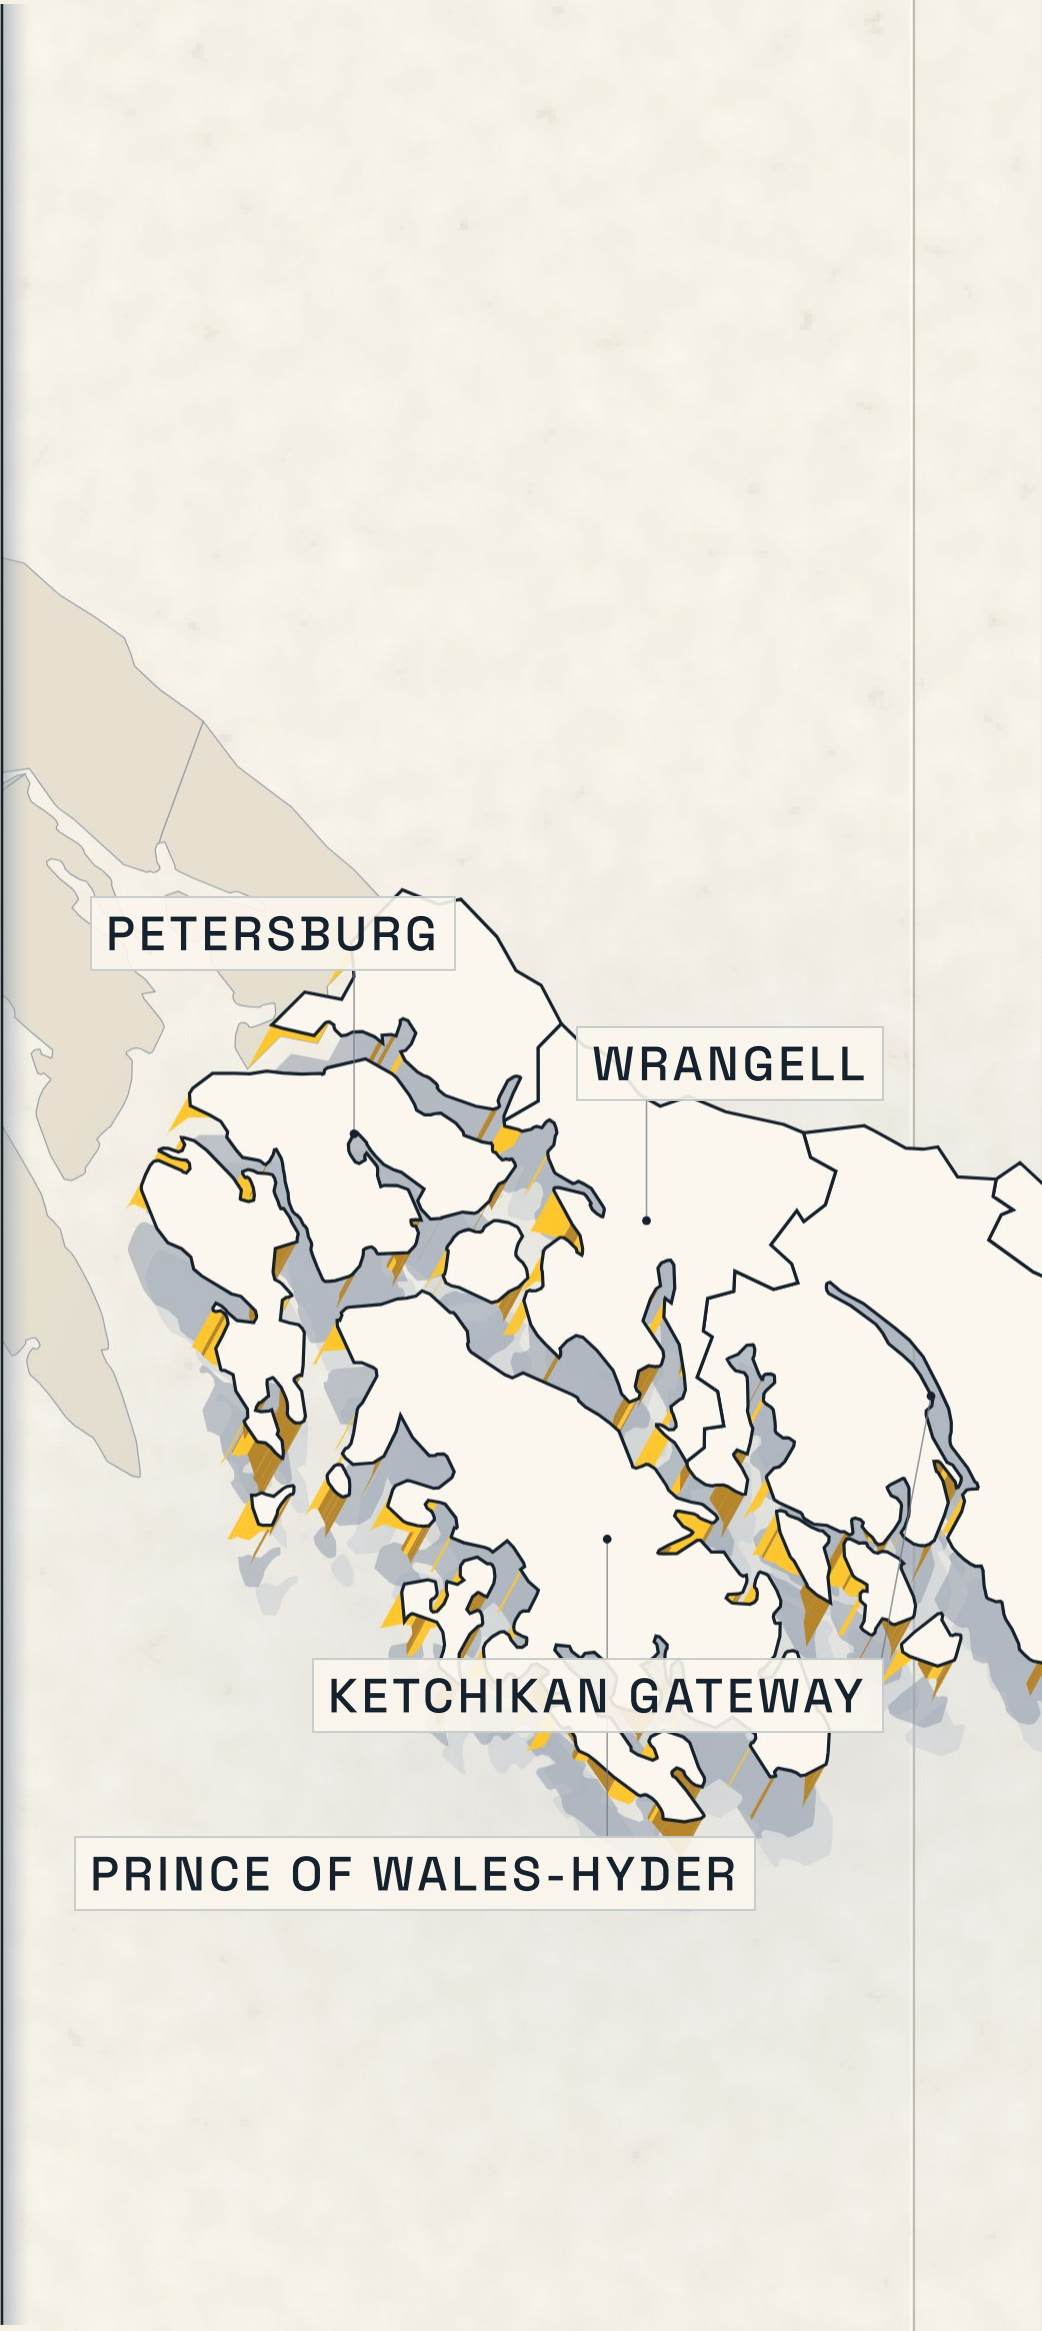

\$6,518,029

The biggest machine is a handle.

PeaceHealth Ketchikan Medical Center takes it for the first robotic assisted minimally invasive surgery in Southern Southeast, serving four boroughs across water. A surgeon drives it.

MONEY AND SUBSTANCE CORROBORATED IN PRESS.
AWARDEE NAME PER THE STATE SPREADSHEET.

100 MI

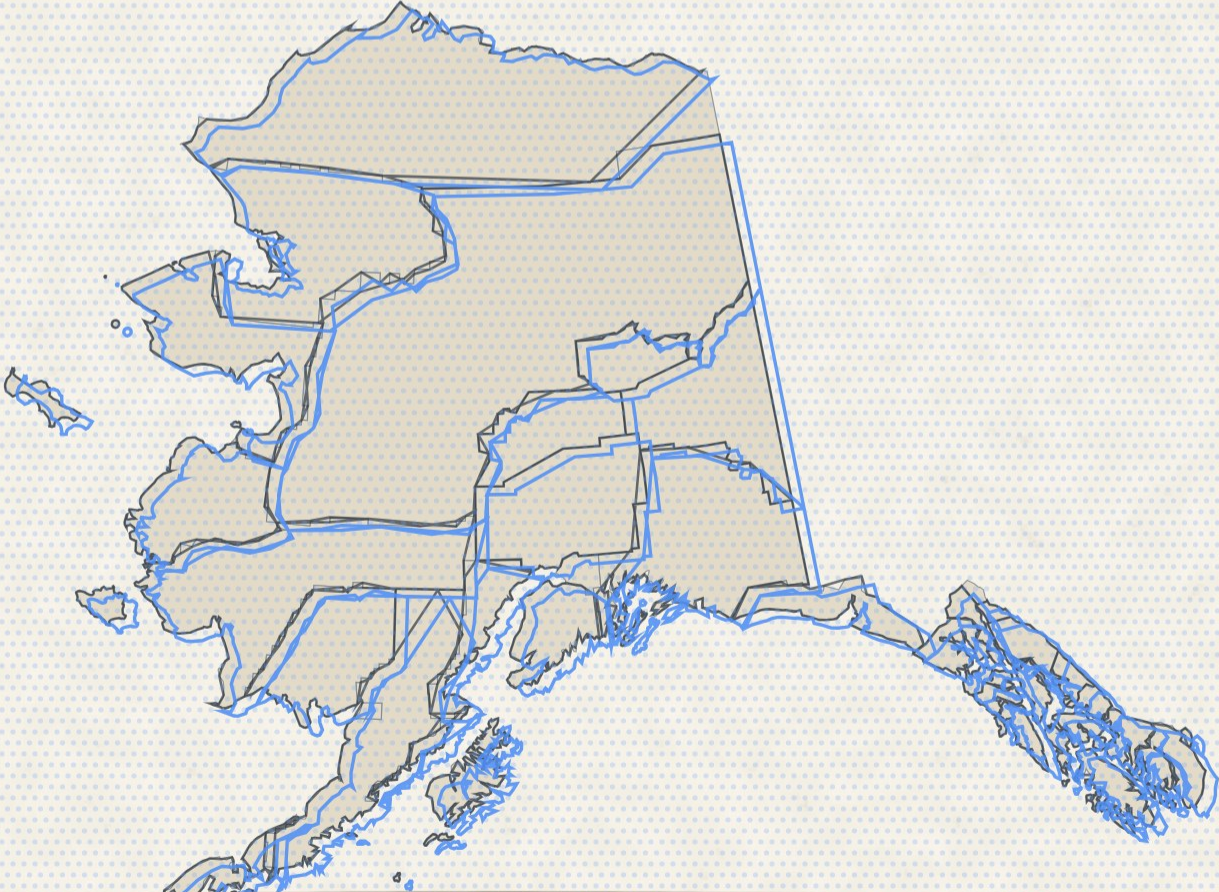

THREE OF THE EIGHT HAVE NO ADDRESS TO CUT

Statewide means nobody can point.

The Alaska Stroke Coalition takes \$3,156,626 for an AI imaging network across 21 acute care hospitals, running on existing systems with no new imaging hardware. The state publishes no list of which 21. MapHabit and the Statewide Independent Living Council are statewide too.

21 ACUTE CARE HOSPITALS, SITES NOT PUBLISHED

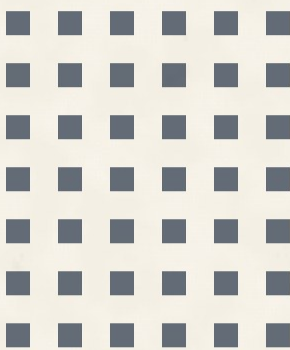

SECOND PASS, OUT OF REGISTER

650 MI

A planning year buys a map.

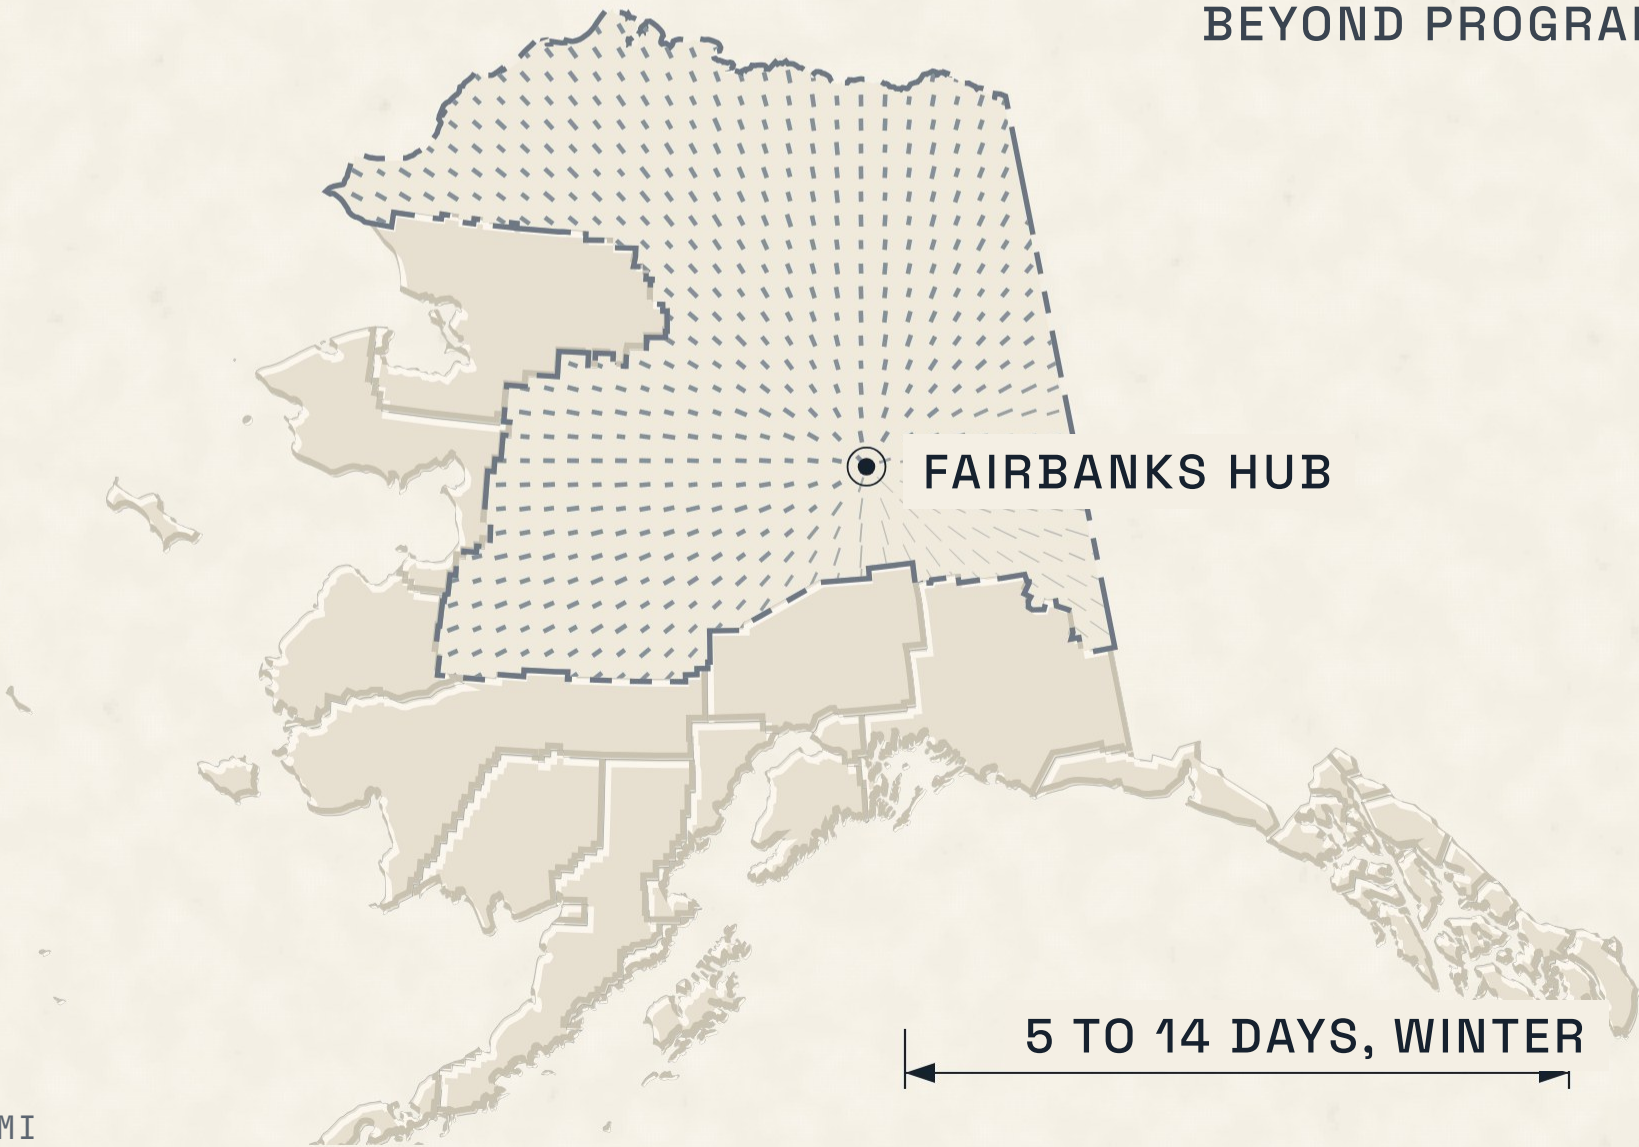

42 VILLAGES, NOT NAMED IN
THE AWARD RECORD

Tanana Chiefs Conference takes \$250,000 to plan drone pharmacy from a Fairbanks hub to 42 Interior villages across 94,000 square miles. It is one of 19 planning awards. No aircraft is bought.

THE EIGHT, AND WHAT EACH ONE HANDS OVER

THE AWARD VERDICT ACTS ALONE

 \$6,518,029 PeaceHealth Ketchikan Medical Center	ASSISTS	
 \$3,156,626 Alaska Stroke Coalition	ASSISTS	
 \$1,241,086 MapHabit	ASSISTS	
 \$430,000 Maniilaq Association	ASSISTS	NONE OF THE EIGHT
 \$250,000 Mat-Su Regional Medical Center	ASSISTS	
 \$250,000 Tanana Chiefs Conference	PLANS	A PLAN
 \$141,703 Statewide Independent Living Council	ASSISTS	
 ABOUT \$25,500 Kodiak Community Health Center	ASSISTS	

\$25,500 AT TRUE LENGTH

THE ONE THAT WOULD ACT ALONE BOUGHT A PLANNING YEAR.

BAR LENGTH LINEAR. ONE PIXEL IS \$14,000.

HOW TO READ THIS PLATE

 **CUT AND LIFTED, GOLD EDGE**
A PLACE SPECIFIC AWARD. THE SERVICE AREA AS FILED.

 **PHANTOM OUTLINE, NOT LIFTED**
A PLANNING AWARD. A ROADMAP, NOT AN AIRCRAFT.

 **BLUE SCREEN**
STATEWIDE. NO SITE LIST PUBLISHED.

 **BLANK, UNENGRAVED**
WEEKS FIVE AND BEYOND. THE STATE MARKS THEM TBA.

The count of eight is a keyword search of the state's own award titles and summaries. It is not a state category. Every dollar here is preliminary and the state says minor adjustments may occur.

THE FOUR ROUNDS, AND THE FIFTH

AUG 7TH, 19
PROJECTS,
\$4.5M

AUG 14TH, 37
PROJECTS,
\$30.1M

AUG 21ST, 105
PROJECTS,
\$130M

AUG 28TH, 24
PROJECTS,
\$16.9M

TBA

Next, the four at true width.

FOUR FRIDAYS, AT TRUE WIDTH

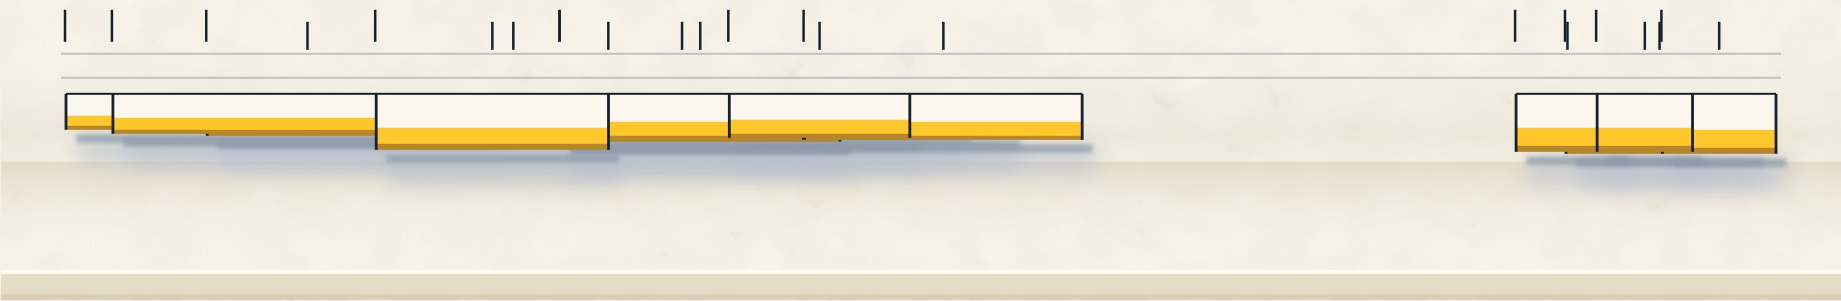

\$12.0M OF \$181.9M

ABOUT ONE DOLLAR IN FIFTEEN

The first Friday had none of them.

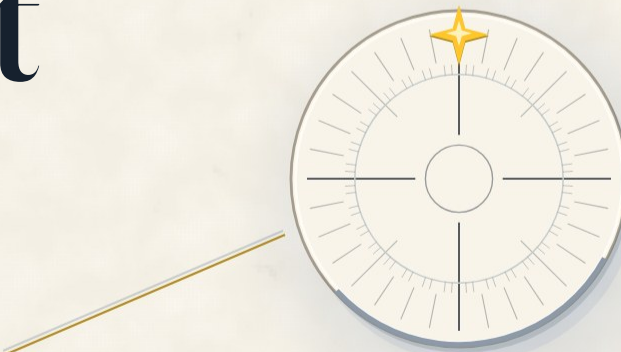

August 7th moved \$4.5 million across 19 projects and not one of the eight was in it. August 21st moved \$130 million across 105 projects and five of the eight were. The machines arrived in the middle of the month, not at the start.

TWELVE KERFS

Which of the eight
would you fund at
scale next year?
